### Business Partners

## Mechanics Bank Shows its Community Support

When community members open a checking account at the downtown Walnut Creek branch, Mechanics Bank will donate \$100 to the Walnut Creek Library Foundation for the new Walnut Creek library!

The offer will be available until October 31, 2009. Visit the branch at 1350 N. Main Street to learn more about this opportunity.

### A great public library is not possible through public funding alone.

The Walnut Creek Library Foundation is a public nonprofit organization formed in 1998 to raise private funds for new and improved library facilities, collections, and programs and services for both the Walnut Creek Downtown Library and the Ygnacio Valley (Thurman G. Casey) Library. Your contribution helps us support our libraries.
